

Fairfield Pet Lodge Terms & Conditions

Please read these terms and conditions carefully before using Fairfield services and facilities. Every effort will be made to draw your attention to our Terms and Conditions (T&C's), however, we accept that if you decide to utilise our services and facility you have read, understood and agreed to our Terms & Conditions.

Costs

You acknowledge and agree to our charges for the services as they appear on our website and price list and that costs will be paid in full before collection of your pet. Cancellation of bookings and unused days during high season will incur charges for all days booked.

We require that you pay a 20% deposit of the total boarding fee. No booking will be confirmed until this deposit is received and the balance of fees must be paid before your pet is picked up.

The kennel for your pet is reserved and charges start on the first day of the booking and if your pet is checked out on the last day before 10 am there are no additional charges - additional charges will apply if your pet is checked out after 10am. During peak season you will be charged for a full day in and out regardless of what time you drop and collect your pet.

All necessary veterinary or medical care required and costs incurred as a result of any incident caused by your pet will be the sole responsibility of the pet owner.

Pet Behaviour

It is imperative that you notify us of any problems or undesirable behavior with your pet. We take the health and safety of our staff, clients, contractors, visitors and pets very seriously. We will not board uncontrollable or dangerous pets at our facility.

Any damage or extra cost incurred due to a failure to inform us in writing of any undesirable behavior will be payable by the pet owner. Costs may include vet fees, hospital/doctor fees and isolation fees. We reserve the right to refuse admission of any dog we deem to be unsuitable for boarding at Fairfield for any reason. We reserve the right to request that your emergency contact person should remove your pet from our premises for any reason (including without limitation where your pet is causing undue stress to other animals or is, in our opinion showing aggressive behaviour).

Please note that should your dog 'escape' from our Fairfield premises, you will have to pay any costs associated with injury or any damages caused to property, other animals, persons

and/or time spent looking for your pet. This also includes any costs incurred due to impoundment. Fairfield enclosures are of a high standard and the perimeter is checked regularly. Fairfield's external perimeter is deer fencing and has small squares at the bottom and any costs incurred as a result of your pet escaping must be paid by the pet owner before removing your pet from our Fairfield premises.

Vaccinations

Pets must have up-to-date vaccination certificates otherwise they will not be accepted. A copy of the certificates must be presented on or before arrival and presented at every stay. Failure to provide a valid vaccination card for each pet staying gives Fairfield the right to refuse to boarding.

Dogs staying at Fairfield must be fully inoculated against Parvo Virus, Distemper, Hepatitis (Vanguard 5 or similar product) at least every three years, Leptospirosis and Kennel Cough yearly and the most recent vaccination must be administered at least seven days before boarding.

Cats must be fully inoculated against Feline Leukemia, Feline Infectious enteritis, Feline viral Rhinotracheitis (Feline Herpes Virus) and Feline Calicivirus and must have had a booster injection within the previous twelve months. We do not accept cats that have been diagnosed with AIDS.

Pet Health

Fairfield will take every possible precaution to ensure the health, safety and welfare of all pets in its care. We will take immediate action if a pet appears unwell either by consulting our closest available vet or in some circumstances we may contact the pet's usual vet for advice. Fairfield will require the pet owner to pay any vet costs we incur due to sickness, injury or unexpected death, including costs associated with taking your pet to the Vet. Your pet should be in a good state of health and at least be able to walk and relieve itself in designated areas – pets that have reached the age where they are deemed incontinence should not be boarded.

We also require that you advise us of any existing medical conditions your pet may have or treatment that it is receiving. Any medication to be administered during your pet's stay with us must be clearly detailed in writing and left in clearly marked containers.

All pets must be treated for fleas and worms before visiting Fairfield. If fleas or worms are present on the pet, Fairfield reserves the right to treat the pet and charge for the service.

Bedding & Toys

We provide suitable bedding for your pets however, should you prefer to bring their own bedding it must be in clean condition and clearly labeled. We will endeavor to keep your pet's personal belongings in good condition, but all items are left at the pet owner's risk, the same applies to toys.

Food & Feeding Times

Pets are fed twice per day at 10am and 5pm unless otherwise instructed. We supply premium dog dry food which is regularly supplemented with products high in protein. You are welcome to supply your pet's food, but we offer no discount in these situations. Please discuss the appropriate portion sizes for pets on a raw food diet with your Vet or pet nutritionist, noting that pets get a huge amount of exercise time and as a result their condition could change if not supplied with the correct portion sizes.

Grooming

Grooming and bath services will be provided to your pet at our discretion. Pets that stay longer than ten days will receive a complimentary basic groom consisting of a wash and brush. Dogs that stay for a shorter period can request this basic groom service at \$25.00. Please note Fairfield accepts no responsibility for any reaction your pet may have to the products we use unless you have advised us of any skin conditions that your pet may have.

Drop off & Collection Times

Our office hours and Peak Season dates are set out on our website, we are closed on 25/12, 01/01 & 02/01 and Easter Sunday. All pets must be dropped off no less than 15 minutes before we close to give us time to settle them.

Should you be unable to collect your pet in person you must notify us in advance and your representative must bring proof of identity and final payment before your pet will be released. If we are transporting your pet we will take every possible care but accept no liability for loss or injury.

Day Care is available Monday to Friday inclusive but is unavailable on public or school holidays or during our Peak Season although inquiries are still welcome.

Cancellations

Any booking that is not cancelled within 24 hours and any owner that fails to turn up on

check-in day will be charged for the full duration of the booking. They will also pay for all other incurred costs associated with recovering outstanding fees.

All deposits for Christmas/New Year bookings are fully refundable where we receive cancellation before 1st December less an administration fee of \$20. Cancellations made on or after 1st December will forfeit the full deposit paid. During the busy Christmas/New Year period, we charge for all days that your pet is booked to stay with us including the arrival and departure day.

We require at least 24 hours' notice for any change to pick up dates and no pet will be released to owners that just turn up without notice to collect their pet on a date earlier than agreed check out date.

Unpaid Accounts

If accounts have not been paid in full on the day you collect your pets and we need to take steps to recover outstanding money, the client will bear all costs associated with recovering any outstanding fees.

Abandonment

Pets left at Fairfield for seven days or more than the agreed date of departure without any contact from the owner or their representative, will be classed as abandoned and removed to an official establishment. It is the pet owner's responsibility to ensure that they communicate any unexpected delays to Fairfield.

Any outstanding accounts will be pursued in full and you agree to pay any collection and legal/enforcement costs that we incur.

Photography

Fairfield will occasionally take photographs of their kennels and cattery, these photos may be used for promotional purposes or to update you on how your pet is doing. We reserve the right to use these images without payment of royalties at our discretion including our website, social media or in print.

Risks

You acknowledge and understand that Fairfield operates a communal, interactive play group environment (for dogs and cats) and accepts the positive benefits and potential risks involved.

The dog playgroups are selected based on the pet's size and temperament and are exercised outdoors in enclosed runs consisting of various surfaces including grass, cement and exposed soil. I agree with my dog being exercised in this manner unless I specifically request that my pet is not to participate in these activities. I also accept all risks associated with group play.

Long stay dogs may from time to time be taken off site for walks along the beach. As with any off site activity this has risks, feel free to discuss these with management.

In the event that we have to transport your pet off site you acknowledge and accept that there are risks associated with pets traveling in motor vehicles.

Owners agree to be solely responsible for any harm caused by their pets while staying at Fairfield Pet Lodge and release Fairfield Pet Lodge from any and all liability arising from your pet's participation.

I expressly waive and relinquish any and all claims against Fairfield Pet Lodge, its employees and representatives, except those arising from any negligence on the part of Fairfield. I understand that under no circumstances will Fairfield be liable for consequential damages or damages beyond the replacement value of my dog.

The Legal Stuff

We will never sell, lend, rent, disclose or release your personal information or any information relating to your communication with Fairfield to any third party.

Fairfield Pet Lodge may update its Terms and Conditions where necessary.

Terms & Conditions can be found on our website as the primary version only, superseding all paper or other digital versions
